Winemaker Note:

The 2022 Sympa Cabernet offers notes of ripe red raspberry, plum, and black cherry. Rooted beneath the fruit are layers of cardamom, oolong tea, and warm brown sugar. Beautiful and medium to full bodied, it displays finely integrated tannin with a layered, lingering finish. Drink now through 2034.

With climate variability as the new normal, 2022 was a challenging vintage as we faced triple digit heat over five days in September quickly followed by rain one week later. Mild weather ensued allowing for optimal ripening.
