Winemaker Note:

The 2023 growing season in Napa Valley brought a refreshing return to cooler, more moderate conditions in Napa Valley. A long, even ripening window allowed fruit to develop gradually, enhancing freshness, aromatics, and flavor complexity. The result is a vintage defined by finesse, vibrancy, and structural elegance.

The 2023 Sympa Estate Cabernet Sauvignon opens with layered aromas of forest bramble, dark cherry, and dark chocolate, accented by subtle floral undertones and hints of honeycomb and wild strawberry. It is full-bodied, deep and concentrated on the palate with a long, velvety finish.

Enjoy from 2026 through 2043.
